**ABOUT THE COLLEGE-** On 9th June, 1981, the Higher Education Department of the Government of Madhya Pradesh took over and Integrated Nootan colleges and Dhamtari science, arts and commerce college leading to the formation of Government College Dhamtari. The college campus spans 27.70 acres. In December 1995, the college was granted the status of a postgraduate institution. To honour the renowned freedom fighter Babu Chhotelal Shrivastava and preserve his memory, the government renamed the college in 1995. Today, it is known as **Babu Chhotelal Shrivastava Government P.G. College, Dhamtari**. The college is accredited by NAAC with grade B+.

**About Workshop :-** Welcome to the era of Generation Z (born 1996-2010)—the first true digital natives. This intensive workshop is designed to equip leaders, educators, and managers with the essential insights needed to effectively recruit, retain and collaborate with this unique cohort. We will explore the Gen Z mindset, covering their demands for authenticity, purpose, and mental wellness. Participants will learn dynamic engagement strategies such as micro learning, visual content and integrating technology (mobile-first approach). The session moves beyond traditional lectures, focusing on interactive, hands-on activities, live case studies, and establishing effective mentorship practices. Register today to bridge the generational gap and unlock the full potential of Generation Z within your organization.
